Revised 5.2023

DELIVERY OPTIONS

THE FAIR WAY

No fee. See map below for typical lead times.*

THE PARTNER

No fee. A defined regular schedule will be available to qualified and participating customers.

THE EXPEDITE IT

Order minimum and/or delivery fee - Call us for a quote.

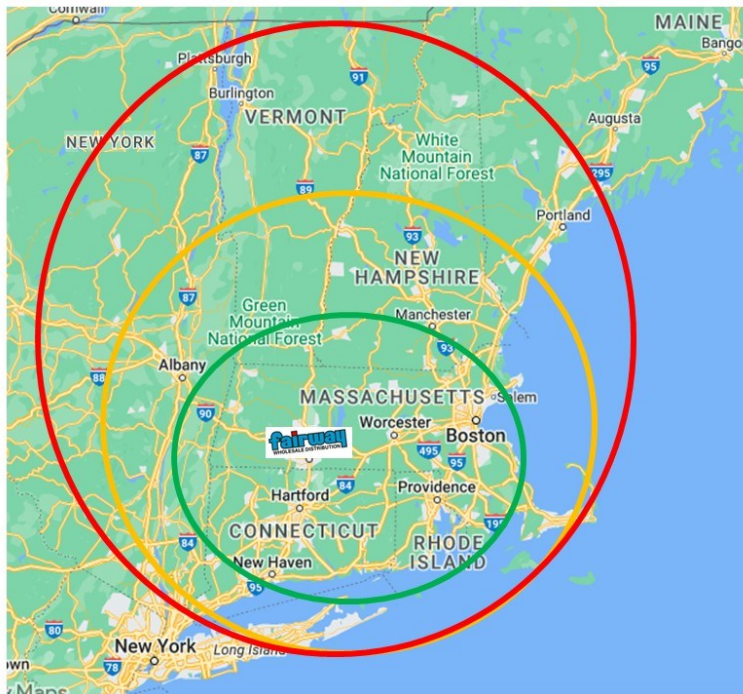

Common Carrier - (ex. Ross Express) Cost would be quoted with Fairway and/or the Customer paying the expense.

THE DRIVE-THRU

If the other options do not meet your needs, consider one of the following alternative options:

Option A: Come visit our Fairway Wholesale warehouse to pick-up the materials and possibly receive a 10% discount on all materials* (some restrictions may apply). We can have the materials prepared for pick-up. Pick-up hours are 7:30 - 3:00.

Option B: Ask us if we have a distribution partner in your territory.

Typical "The Fair Way" delivery lead time from time of order *

Within 1 - 5 business days (2 days a week)

Within 1 -10 business days (1 day a week)

Worst case within 15 business days

* Please keep in mind our standard stipulation: although the truck is loaded with your ordered materials, we are at the mercy of (in no particular order and not limited to):

- the good health of the employee (as well as that of the employee's family) assigned to drive\deliver the material.
- the vehicle remaining in good working order while commuting to the various delivery locations.
- the efficiency with which any previous customers are able to receive their orders.
- the safe and constant flow of traffic while traveling to your location.
- weather conditions allow for the safe travel to and from a delivery.

*Please note - During non-peak months (November - March), Fairway Wholesale's dispatch team may implement a winter schedule as a result of customer order slowdown. Typical lead times may increase up to 5 business days from time of order and/or the number of days within a territory may be reduced.

If you have been provided a delivery schedule, cut-off time for adding to a truck is 2:00pm two days prior to the next scheduled delivery day. For example, a customer location has a delivery schedule of Monday & Thursday. To add to the Thursday order/truck, you must do so by Tuesday at 2:00pm.

MATERIAL RETURN POLICY

- Request for return must be faxed or emailed. It must indicate what material and amount to be returned and include original P.O.# or invoice # material was purchased from. NO MATERIAL WILL BE PICKED UP WITHOUT PRIOR WRITTEN REQUEST.
- In some circumstances Fairway may require pictures of material to determine if an RMA will be generated.
- Do not request material return until items are physically in your yard.
- If you have more than 1 location, please specify which location material will be picked up from.
- All return merchandise and boxes must be clean and undamaged. No credit will be issued for material which is unsuitable to place back in stock for immediate re-sale. Please do not return anything that you would not accept on your next order.
- Product will be inspected at time of pickup and also once returned to Fairway Warehouse. If OK at that point, credit will be issued.
- Individually boxed material such as: Gable vents, Pilasters, Window Headers, Shutters, etc., must be returned in original/undamaged box with hardware included.
- SPECIAL ORDER materials are NOT RETURNABLE.
- Aluminum coil, aluminum starter strip, 20ft Fluted & Traditional corners, Evolve Stone & Accessories, 3.5" & 5" Lineal, 20ft Quarter rounds, Flex J, Brakes & Tools ARE NOT RETURNABLE.
- Material must be identified as originally being purchased from Fairway.
- Returns must be requested within 60 days of original purchase.
- Returns will be picked up at Fairways convenience and when truck space permits.
- Material purchased as discontinued or final sale are not returnable.
- Cash, check or credit card sales—NO CREDIT will be given without original receipt. Credit will be given in form of payment made (for example: if paid with credit card, credit will be given to credit card).

Notes:

Deviation from any of the above conditions is cause to refuse items for credit.

All counts by Fairway are final.

Material refused by Fairway will be discarded immediately if not removed by customer.

Material returned on Fairway truck which is unacceptable for credit will be scrapped.

RESTOCKING FEE POLICY

No Restocking Fee for returned items that meet the following:

1. Clean, undamaged and unopened/full boxes only.
2. Product will be inspected upon return before credit is issued.
3. See Material Return Policy Page
4. Request must be made within 60 days of product invoice. If not, 10% restocking fee will be applied.
5. Customer brings return material to Fairway.

COLOR SWATCHES

Colors in this catalog may vary slightly from actual product colors. We recommend making final color selection using product samples.

NON-STOCK / SPECIAL ORDERS

Any special order item or color not listed, please call Fairway for pricing, surcharges, and delivery fees.

PALLET FEE

For large siding orders you may request the siding be put on our pallets when shipping. There will be a \$200 per pallet fee. If pallets are returned to Fairway in good condition a credit will be issued. It is up to you to notify Fairway when pallets are ready for pickup.

DARK ROAST VINYL TRIM - MITTEN

SPECIAL ORDER

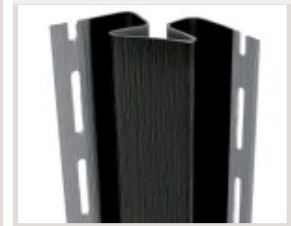

Perk up your exterior designs

When used in the right spots – like the exterior of a home – the minimalist aesthetic of dark vinyl trim boldly accents the details of a home and showcases its charm.

With Mitten's new vinyl trims in Dark Roast, you can easily achieve any contemporary style, including the modern farmhouse look that's as popular as ever.

Apex Outside Corner Post

J-Channel

H-Trim

The perfect blend of features

Protection Against Heat

Made from reflective materials that prevent heat absorption and distortion.

Designed for Durability

The outer surface, colour pigments and substrate are molecularly bonded to form a rugged, long-lasting trim.

No-Fade Promise

A tough, UV-stable polymer resists chemical breakdown and reflects the sun's harmful rays.

Easy Maintenance

Never needs painting, caulking or patching. It won't peel, crack or rpt. Cleaning requires nothing more than soap and water.

FRESHLY BREWED

By pushing the boundaries of vinyl siding we have developed the darkest trims in the industry.

WEST RIDGE

SPECIAL ORDER

The **West Ridge Double 6"** panel captures the appearance of real wood siding with a wide modern profile. The double course panel offers a stunning 12" exposure that will serve as a statement piece in any exterior design project.

The luxury **Single 8"** plank has the timeless appearance of real wood with flat modern profile. Expertly designed with an impressively broad 8" single course width and a stack lock system, the West Ridge S8 plank offers a sleek, smooth and strong combination perfect for modern and contemporary designs.

- NO FADE PROMISE
- PREMIUM .046" THICKNESS
- HURRICANE FORCE WIND SPEED RATED
- D6-CONTOURED LOCK SYSTEM
- S8-STACK LOCK SYSTEM
- LOW GLOSS COLOR-RICH FINISH
- LIMITED LIFETIME WARRANTY

The ridged foam backing on both profiles provides added strength to an already thick .046" panel while still being lightweight and very easy to install.

Featuring 4 distinctive woodgrain finishes, 4 on trend solid colors and backed by a limited lifetime warranty, West Ridge is the pinnacle of vinyl siding designed to create luxury curb appeal.

Polar puts over 1,000 vapor holes in every square foot of WeatherAll. These tiny holes enhance water vapor permeability. This important feature helps ensure the water vapor can escape the wall cavity, so as not to cause mold formation and structural damage.

BRAKES

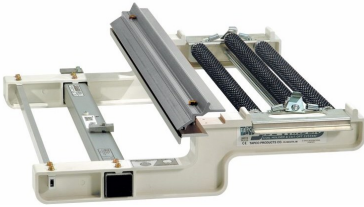

SPECIAL ORDER ITEMS

PRO 14 and PRO 19 - 10' 6" length

Produces high-quality custom pieces for any siding and roofing application, from soffit and fascia to custom brickmold, sill trim, window casing, chimney flashing & more.

- PRO 14 has 14" throat depth
- PRO 19 has 19" throat depth

PRO Side Winder

Secures coil right onto your Tapco Tools brake system and feeds directly into the jaws of your brake, resulting in greater efficiency and no more windblown, dirty, damaged coils.

PRO Cut-Off

Provide single-pass cutting precision right on your brake.

- Factory-quality cuts
- Ergonomic grip for smooth, sure-handed operation

PRO Brake Buddy

Produces brickmold trim and decorative ribs from trim coil.

Snap Stand

Snap Stand legs offer sturdy, solid support for your PRO 14 and PRO 19 Brake.

Wheel Kit

Optional wheel kit for Snap Stand.

Port-O-Brake - 10'6" length

Lightweight and durable brake for producing high quality custom pieces.

- Optional legs available special order
